LAIMABLE

Course Objectives

- To provide information and knowledge on the best practices of green building principles - Understand and reduce life cycle cost of green buildings

 - Legislative requirements on Environmental Sustainability for Buildings
- Provide an understanding on the interpretation of the GreenRE Tool Criteria, scores and certification process

Examination

The examination measures knowledge on green buildings, GreenRE rating system and the certification process. The examination is divided into 2 sections. Part 1 is multiple choice question (MCQ) test and Part 2 is group project. In keeping with our green and sustainable practices, course notes will be available in e-format.

GreenREAP Application

- Fully attended 19 hours of GreenREAP's Course
- Pass the examination (MCQ and group project)
- A recognized Degree or Diploma in related diciplines (engineering, architecture, QS, environmental science etc.) approved by GreenRE Review Panel, in addition to at least 3 years working experiences for Degree holder or 5 years working experiences for Diploma holder

*GreenREAP's certification is valid for 2 years from issuance

Renewal Requirements

- Compulsory attendance for GreenRE Refresher Course (at least once for each renewal application) or Basic Course of GreenREAP's Course (1st Day only)
 - Accumulation of CPD points of 10 points per year (green building courses OR GreenRE project submission)

Schedule
