# ITINERARY

## GREEN BUILD CONFERENCE 2019

27<sup>TH</sup> JUNE 2019 | ONE WORLD HOTEL, PETALING JAYA

### 0800 Registration and coffee

#### 0900 Opening Ceremony

- Welcome Speech by REHDA PRESIDENT
- Opening Address by YB Puan Hajah Zuraida Binti Kamaruddin, Minister of Housing & Local Government

#### 0930 Keynote

The case for sustainable buildings – How organisation create value from resilient, low carbon, resource efficient and healthy buildings

**Jonas Bengtsson, CEO, EDGE Environment (Australia)**

### 1000 Morning Break & Booths Tour

#### Forum 1 Building a Case for Building Green

- 1015** Cities produce a vast amount of emissions and waste, putting a strain on both human and ecological health, but our buildings themselves may hold a solution. Hear from our experts on the drivers and policies influencing the future of green buildings in Malaysia & Asia.

Speakers:

- **Ar Tan Szue Hann**, Managing Director, Miniwiz Singapore
- **Yvonne Soh**, Executive Director, Singapore Green Building Council (SGBC)
- **What's In a Healthy Building?**  
**Samantha Allen**, Director of Business Development (IWBI)
- **TPr Tn Hj Ihsan Zainal Mokhtar**, President, Malaysian Institute of Planners (MIP)
- **Disruptive Business Models That Are Transforming The Real Estate Industry**  
**David Mackerness**, Director, KAER Singapore

### 1230 Networking Lunch

#### 1330 Post Lunch Debate: Plastic Wars

#### Forum 2 Green Financing & Sustainability Reporting

- 1400** What are the financial solutions and service offerings that can shape or create a paradigm shift for the green building industry to make it more robust and with a greater impact towards mitigating climate change? Hear from our experts as we examine the challenges for green financing & sustainability reporting and how it can be used as a tool to drive strategy and innovation.

Moderator:

PricewaterhouseCoopers (PwC) Malaysia:  
Andrew Chan, Consulting Leader

Panellist:

- CIMB: Group Consumer Banking
- Securities Commission
- **Kamaradzaman Mohd Bakri**, Head of Division -Green Catalyst, Malaysian Green Technology Corporation (MGTC)

### 1530 Networking & Tea Break

#### Forum 3 Policy to Practice Case Studies

- 1545** What are the trends in green building design that have been a game changer? This session will feature inspiring real-life projects and applications highlighting different approaches to green building design.

Speakers:

- **Sustainability Strategy to Execution-Delivering Results, City of Elmina**  
**Sharif James Zainal**, Sustainability & Placemaking Officer (Sime Darby Property Berhad)
- **Lendlease (Australia)**
- **High Performing Buildings, Where Going Green Was Not An Afterthought**  
**Gregers Reimann**, IEN Consultants Sdn Bhd

### 1730 End of Event

## SPEAKERS

**Jonas Bengtsson (Australia)**  
**CEO, EDGE Environment**  
**President, Australian Life Cycle Assessment Society**

Jonas Bengtsson specialises in life cycle assessment and triple bottom line (environment, social and financial) sustainability and environmental ratings tools, products certifications, and climate change adaptation/mitigation. He has experiences from a broad range of sectors, including construction, manufacturing, retail, restaurants, agriculture, telecommunication, energy and finance.

**Yvonne Soh (Singapore)**  
**Executive Director, Singapore Green Building Council**

Yvonne spearheaded BCA's sustainable construction initiative as Director of the Centre for Sustainable Buildings and Construction, where she successfully collaborated with the United Nations Environment Programme (UNEP) on sustainable resource management in the building sector.

**Samantha Allen (Hong Kong)**  
**Director of Market Development, WELL Faculty**  
**International WELL Building Institute (IWBI) Asia**

At IWBI, Samantha supervise the overall market development, education around and greater adoption of the WELL Building Standard™ and WELL Community Standard™ in the Asia Pacific region. Samantha joined IWBI with a body of experience from her background in scientific research, particularly her expertise in public health.

**Dave Mackerness (Singapore)**  
**Director at Kaer Pte Ltd**

Dave has over 10 years of experiences developing holistic business development and communication strategies with a focus on green buildings, energy, sustainability and disruptive technologies.

# GREEN BUILD CONFERENCE 2019

27<sup>TH</sup> JUNE 2019 | ONE WORLD HOTEL, PETALING JAYA

**Ar Tan Szuze Hann (Singapore)**  
**Managing Director, Miniwiz SG.**  
**Adjunct Prof, Singapore University of Technology & Design (SUTD)**

Szuze Hann's current work is in circular economy R&D and design, creating architecture, spaces and products through upcycling materials. His portfolio includes the award-winning ParkRoyal on Pickering, the SPACE Asia Hub and the O&M HQ with WOHA; the BCA SkyLab, a state-of-the-art rotatable test bed for building technologies, which won a Minister's Award on National Day, 2017; an IT campus in Bangalore; and a smart city master plan in Bangkok, while he was heading sustainability at Surbana Jurong.

**Gregers Reimann (Malaysia)**  
**Managing Director, IEN Consultants Sdn Bhd**

Gregers Reimann specializes in energy efficient and green building design with excellent indoor environment. His green building consultancy pursues innovative and integrated design solutions bridging the gap between architects and engineers. In addition to green building consultancy, Gregers regularly contributes to green building articles and frequently lectures at universities.

**Sharif James Zainal Aziz (Malaysia)**  
**Sustainability & Placemaking Officer, BU1,**  
**Sime Darby Property**

Sharif James has been in the field of Sustainability since 2003 and presently leads operational township sustainability for Business Unit 1, Sime Darby Property. He currently focuses on; execution of Sustainability Initiatives and Programs within City of Elmina Sustainability Plan 2018-2030, facilitating sustainability-related strategic partnerships, formulation and execution of community placemaking programs & institutional engagement

## ABOUT US

**REHDA Institute focuses on 3 main pillars i.e. training & events, research and education with the aim to improve productivity, innovate new ideas towards achieving the highest standards of professionalism and advance best practices for the industry.**

REHDA Institute also provide educational programmes in collaboration with tertiary institutions to improve the value and skill set of those involved in the industry.

For more information visit [www.rehdainstitute.com](http://www.rehdainstitute.com)

**GreenRE is the green real estate certification body established and owned by the REHDA. Our core objectives are to provide an objective and international standard rating system to certify real estate projects as environmentally sustainable and to promote green buildings and sustainable development in Malaysia.**

We have adopted internationally recognised best practices as well as incorporated Malaysian standards in formulating our green building and township rating tools for the Malaysian built environment.
